

# MASSAPEQUA SOCCER CLUB

Minutes of the Monthly Membership Meeting of the Massapequa Soccer Club held on Wednesday, February 26, 2014 at Birch Lane Elementary School, Massapequa NY.

The Monthly Membership Meeting of the Massapequa Soccer Club was called to order by President Kevin Ferrari at 8:02PM.

## **PRESIDENT'S COMMENTS:**

Kevin announced that he attended the Town of Oyster Bay (TOB) meeting on Fields and Permits and we will be granted the customary permits for field use during the Spring. The brutal winter has delayed the permit process and we have not received access to the fields yet. Lacrosse will not be using the mini-fields at FOD until later in the season when daylight increases so we can use that space as needed up until that point.

Kevin reminded the membership that we are always in need of volunteerism. Anyone looking to help out can see him after the meeting. After the brutal winter we are working hard to get the fields in good condition.

MSC Scholarship Applications are due April 1, 2014. All MSC graduating seniors are eligible.

Kevin mentioned that our Treasurer, Yuri Fishman was unable to attend tonight's meeting and that he would deliver a detailed Treasurer's report at our next meeting.

## **DIRECTOR OF COACHING REPORT:**

Director of Coaching, Richard Nuttall was excited to announce that we may be getting field space at Berner Middle School during the week at night. Looks like we will share the space with Lacrosse, but again they would not use the space until daylight increases. This extra area of practice space will allow our teams to train on grass and on larger field spaces.

Hofstra University is hosting a soccer symposium April 10-12, 2014. There will be soccer people from all over the world including Pele. The symposium will be in conjunction with a NY Cosmos game and Rich is hopeful to get some of our younger teams involved in the pre-game clinics.

Jon Adams is working on program descriptions, when completed will be posted on the club's website. The descriptions will be written to educate parents and explain the theories behind our training philosophy.

## **INTRAMURAL REPORT:**

Denise Mushorn reported that Intramurals will begin the second week of March. There was a question from the floor asking about the U9 JSS Program. There was a problem with the

way the BU9 program ran in the Fall with too many players for one roster but not enough to make 2 rosters, so there were kids being asked to skip weekends. Rich Nuttall explained that he did not want too many kids sitting on the sidelines during games and wanted to make sure that players were engaged. Jon Adams said they would evaluate the U8 players and possible ask the advanced players to fill a second U9 roster to help the situation.

### **BOYS/GIRLS TRAVEL REPORT:**

Bob Muir reported that registration for the Memorial Day Tournament is open. Registration is free for all Massapequa teams. PA's will be asked to register teams on the tournament website. We are awaiting field permits from TOB and once they are received the practice grid will be released. Parent meeting will be scheduled for the current U9's and U11's to go over program opportunities for the Fall season that begins in September. These meeting will take place in late May/early June.

### **COMMITTEES REPORT:**

Jon Adams briefly explained the concept of Marathon Games as a way to raise money for the club. All players will solicit sponsors to play soccer all day in a festival style event to be held at the end of the soccer season. Jon is hopeful to get volunteers to organize this for the 2014-2015 season. Jon states there is potential to raise thousands of dollars.

### **MOTION: Adjourn Meeting**

With there being no further business before the Membership on a motion by Kevin Ferrari, seconded by Chuck Gates the February 2014 Membership Meeting of the Massapequa Soccer Club was adjourned at 8:56PM. Motion passed unanimously.
