

Spring '24 & Annual 23-24 Program Registration Guide

All MSC programs are Birth Year based following the guidelines of our national governing body, US Soccer. Please see the [\[2023-2024 AGE CHART\]](#) to confirm your child's "soccer age."

[What does MSC offer for U5-U8 players?]

The Core Development program is a seasonal trainer led program that introduces the game to our youngest players and develops them as they move towards competitive play at older ages. If you have a soccer player born in 2019-2016, this program is for you! Registration information is below:

Core Development Program

- U5 (2019) - U6 (2018) - U7 (2017) - U8 (2016)
- [REGISTER NOW U5-U8 PLAYERS FOR SPRING 2024](#)

- All sessions run by MSC professional staff

Common Registration Issues / What am I doing wrong?

- **You are downloading the GotSport Team APP, which is not something to use for registration purposes.**
 - You need to register via a PC, Laptop, tablet, or any device that can access the registration links via a computer browser. DO NOT attempt to register via any APP.
- **You can't figure out how to get past the 1st page of registration.**
 - You need to scroll down to the bottom and hit the SAVE button to move on.
- **I registered one player and am trying to register another, but there is no program fee associated with the registration or no team name. What am I doing wrong?**
 - Each program has its own registration link. If you register one player for the Core Development program and then try to register a U13 or older Elite player in the same Core program, it will not work. Please make sure you are registering each player for the appropriate program via the links above or the link sent to you for the selective programs.
- **I have multiple kids, but only one shows up tied to my GotSport account. How do I add another player to my family?**
 - When you click on the program link you want to register the other family member to, you will see a plus sign that says "Add Family Member"

The screenshot displays the registration page for the 2022 Fall Travel program (2014-2004). At the top, there is a header with the program name, dates (22/23 (2022-08-01 - 2022-11-30)), and a registration link. A 'Registration Information' box is also present. Below the header, a message states: '[+] Email/UserID & password questions, please click on the white Registration Information box above [+] COMPETITIVE TRAINER RUN PROGRAM [+] Registration Fee = \$95 + \$3 online fee + Age Group Specific Program Fee [+]'. The main content area is titled 'Register' and includes instructions: 'Click the "Register" button to register that person. If you want to register someone that is not in this list, click "Add Family Member"'. A red arrow points to the 'Add Family Member' button, which is located next to a plus sign icon. Below this button, there are three rows, each with a placeholder image, a name field, and a 'Register' button.

Please note that registration links for LSTS, MSC Classic, Elite, and Travel are not public. If you were selected for any of those programs you have received a unique registration link. Please contact registration@massapequasc.com if you need assistance.
